

# Coconut Crusoe

Choose one of the items you found whilst doing your beach clean and write a story that describes how it got there.

Some things to think about...

Where did it come from? Who did it belong to? How did it get into the sea? Where did it go whilst at sea? What creatures did it meet? How did it end up on the beach in Wales?

[illegible]

Every day approximately 8 million pieces of plastic find their way into our oceans.

# Coconut Crusoe

Handwriting practice lines consisting of ten sets of three horizontal dashed lines.

Plastic pollution can now be found  
on every beach in the world.

The end.
